

SRP PROJECT of the MONTH

*HUNTER HOLMES MCGUIRE
VETERANS ADMINISTRATION MEDICAL CENTER*

Simmons, Rockecharlie, & Prince has completed 10 years of successful projects at this 1,000,000 square foot facility. Recent projects include upgrading and replacing the Medical Air System Pumps, Motor Control Center, and also the Air Handling Unit and Air terminal Boxes serving the Operating Rooms. A new Heart Catheterization lab and the Replacement of over 400 Air Terminal Boxes and DDC controls has also been completed. Additional designs include the renovation of part of the fifth floor patient suite into an outpatient clinic and conversion of a two story dialysis building adjacent to the Hospital into office space.

The firm received an ASHRAE Technology Award in 2002 for Existing Health Care Buildings for the Renovation of the Emergency room suite.
