## *NISSAN AUTOMOBILE DEALERSHIPS*

Simmons, Rockecharlie, and Prince, Inc. has recently completed facilities in both Mechanicsville and Short Pump. Open in 2006 is the largest Nissan dealership in North America located in Chantilly, Virginia.

All of the dealerships feature large showrooms, multi story designs, air conditioned service bays and indoor service reception and drop off areas.

The Chantilly location will cover over 60,000 square feet and will have 38 indoor repair bays, a car wash, and a three car detail bay. The facility is fully sprinkled.

Due to site restrictions, the service drop area for the Short Pump location, pictured below, is located in the center of the building and not at the end like most dealerships.
