

SRP PROJECT of the MONTH

RAPPAHANNOCK COUNTY HIGH SCHOOL AIR CONDITIONING AND WINDOW REPLACEMENT

Simmons, Rockecharlie, & Prince recently completed the design and construction of a new Air Conditioning system and Window replacement system for Rappahannock County High School located in Washington, Virginia. The existing steam heating system remained in place to heat the building. A new Variable Refrigerant Flow (VRF) system utilizing ceiling cassette and ducted units was added to provide cooling to the classrooms and front offices. The Gymnasium was also air conditioned and new fabric ducts were installed to distribute the air. The project Bid Award amount was for \$686,000. The project was completed on time.
